SCS IS ALWAYS MOVING FORWARD

Pride of the Valley

Greetings Parents and Families of Steubenville High School,

Welcome back to Steubenville High School for the 2024-2025 school year. We hope you all had a wonderful summer vacation. While the students were away, the SHS staff worked hard to prepare the building and classrooms for the start of the year.

We look forward to creating a warm, welcoming, clean, and safe learning environment that students will be excited to attend every day. This first letter contains a lot of information, but we will continue to send reminders in the monthly school newsletter throughout the year.

We are wrapping up several construction projects at the high school, including the new Pugliese STEM Building. This building will be a fantastic addition to our school and will provide great opportunities for our students and staff.

Please save the date to attend our Open House and ribbon cutting for the new STEM building on Sunday, August 4th, at 2 p.m. My newsletter has more details.

Please remember that our staff is here to serve you and your child. We are always available and eager to build a strong relationship with you. We are committed to helping your child have the best school year possible.

All staff at Steubenville High School are thankful for the opportunity to educate your son/daughter and to help prepare them to become productive citizens and lifelong learners. It is truly an honor, and we take it very seriously. Please know that our team is here to help your son/daughter have the best school year possible.

Thank you for your constant support, and as always... **GO BIG RED!**

Please have a look at the calendar of important dates for more information about events at Steubenville High School.

If you would like to contact me, my e-mail address is ted.gorman@rollred.net. Call me at Steubenville High School, (740) 282-9741 ext. 1105.

Sincerely,

Mr. Gorman
