Big Red Newsletter February 2024

Pride of the Valley

Greetings Parents and Families of Steubenville High School,

We wish all the winter sports programs the best of luck as they are nearing the end of their seasons and getting ready for the tournament. Finish Strong!

This reminds all seniors that graduation will be here before you know it. I will use the students' SCS Google email and the Remind app to communicate with the seniors as we move toward graduation. Please remind them to check these two places to keep up with important information.

We will be sending out information on the Senior Capstone project. This is required of all seniors for graduation.

Everyone here at Steubenville High School is very thankful for the opportunity to educate your son/daughter to help prepare them to become productive citizens and lifelong learners. It is truly an honor, and we take it very seriously. We at Steubenville High School are here to help your son/daughter have the best school year possible.

Thank you for your constant support, and as always... **GO, BIG RED!**

Please check the calendar of important dates for further information about events happening at Steubenville High School.

If you would like to contact me, my e-mail address is ted.gorman@rollred.net. Call me at Steubenville High School, (740) 282-9741 ext. 1105.

Winter Weather Preparedness

Children can be especially susceptible to the dangers associated with winter weather. Their youthful enthusiasm often takes over when common sense and safety should prevail.

Parents should stay informed of winter weather and school closings by listening to daily reports on local radio, television stations, and district one call systems.

Winter Weather Safety Tips

Dress appropriately for cold weather: sweaters, pants, winter coats, hats, scarves, socks and boots.

Allow extra travel time to get to the bus stop or school.

Wear bright jackets or coats so bus drivers can easily see you in the morning or evening.

Stand at least ten (10) steps away (or back) from bus stops. Buses need extra room to stop where there is snow or ice.

Do not walk or play on snow mounds or ice within ten (10) feet of the roadway. You could fall and slip into the roadway and be at risk of being struck by a vehicle.

Do not cross the street at your bus stop until all traffic has come to a complete stop and the bus driver has signaled that it is safe to cross.

Please Note: If we do not cancel or delay during a winter weather event, parents must make the decision whether or not to send their child(ren) to school. Students missing school during winter weather events will not be counted absent and will be able to make up all missed assignments and or instruction.
