General Permission Notes

Dear Parents,

This note is designed to streamline our permission note system. It may seem like a lot of places to sign, but the note will replace several notes that we have used in the past and make it easier for you. The Permission Notes will be filed at school and will remain current for one year. You will be requested to complete the General Permission Note every year.

Please complete the note and return it to the Main Office at HMS by **Friday, September 1, 2017.**

Yours sincerely,

Bryan Mills, Principal

Permission to publish student image (Photograph)

Media opportunities are something that most students enjoy. It is expected that during the year the school will seek publicity in the media for various programs and events. It is likely that students could be photographed and/or filmed and/or interviewed in the course of this publicity. Some families may have issues (e.g. custody situations) that will mean that they do not want their child's image published. Publicity opportunities may include having a photograph displayed as part of the photo presentation, on our school website, our school Facebook page or may involve local media such as the Herald Star, local newspapers or WTOV.
