Pride of the Valley

Message from Principal Gorman

Happy New Year to our SHS families!

Greetings, Parents and Families of Steubenville High School

As we begin a new semester, I wish our Steubenville High School Family a very Happy New Year! I trust you had a wonderful winter break with family and friends.

As we celebrate this new year, 2024, it is always an excellent time to look back to the past, but more importantly, to look forward to the coming year. It is a time to reflect on the changes we want or need to make and resolve to follow through on those changes. As we begin 2024, I want to assure everyone that the high expectations in academics set from the beginning of the year will continue as we begin the second semester.

The first semester went by very quickly. As we resume classes after the holidays, we encourage students to start the 2nd semester strong. A strong start to the 2nd half of the academic calendar begins with solid attendance. It's imperative that students be in attendance each day and arrive at school and class on time. Consistent attendance is essential if a student wishes to be successful. Students who miss excessive school days are at a significantly higher risk of failure. Please encourage your child to attend school regularly and to be on time.

With the 2nd half of the academic year upon us, this is a good time to remind seniors that graduation will be here before they know it. To that end, every senior must complete 40 hours of service learning. At SHS, we believe deeply in the importance of students giving back to the community. Indeed, our service learning requirement benefits the graduating senior and the community partner they work with.

The entire staff at Steubenville High School is thankful and honored by the opportunity to educate your son or daughter. We strive daily to cultivate thoughtful young adults who are lifelong learners and productive citizens. Working with your child is truly a privilege, and we take it very seriously.

Please know that the instructional, support, and administrative staff at Steubenville High School are here to help your son or daughter have the best possible school year.

Thank you for your continued support, and, as always, GO BIG RED!

Please check the calendar of important dates for further information about events happening at Steubenville High School.

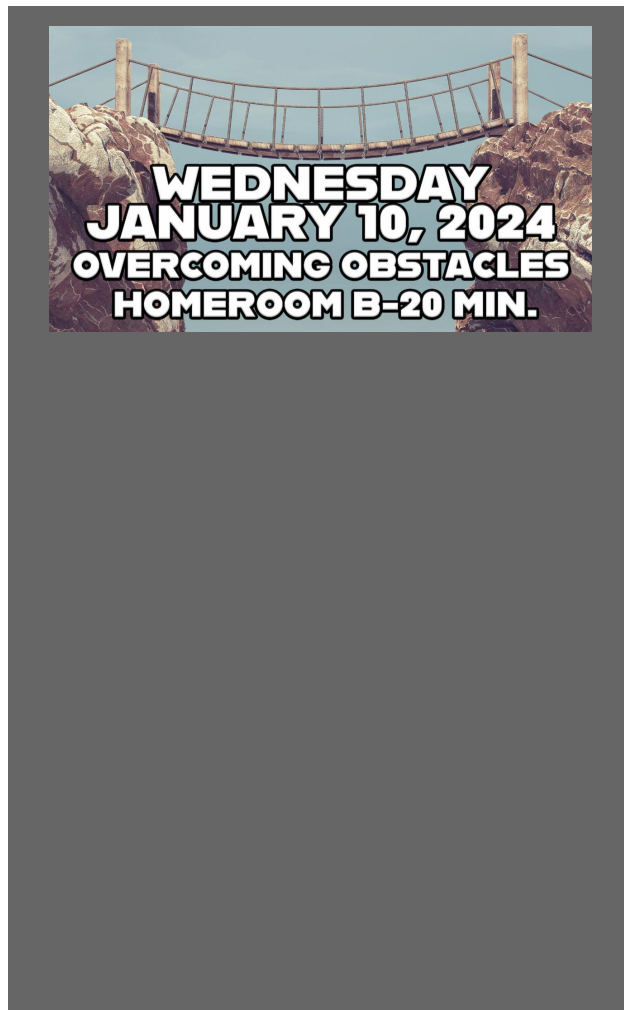

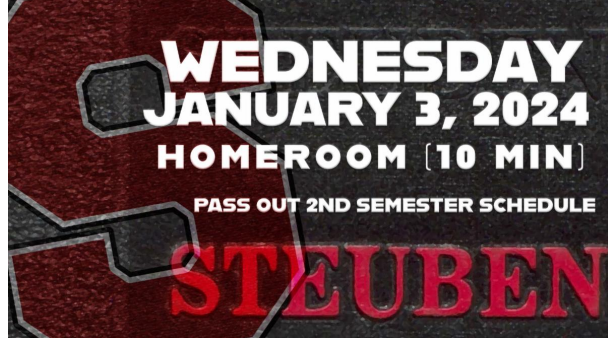

If you would like to contact me, my e-mail address is ted.gorman@rollred.net. You can also reach me by phone at Steubenville High School, (740) 282-9741 ext. 1105.

Best regards,

Mr. Gorman

We are proud of Matt and wish him the best of luck.

A 40+ year Rotary tradition being carried on by the Steubenville High School Rotary-Interact Club! All the kindergarteners at East Elementary were met with Santa, an East Garfield beanie and a really fun present at their party today!!! One of the most rewarding days of the year!!!

The agriculture students were tasked with researching a chosen agricultural field. They then made presentations and ornaments to present to their class and hang on our class Christmas tree. The students learned about all kinds of different agriculture fields out there, such as bee keeping, food safety inspection veterinarian, dairy farmers and so much more. The students learned just how much agriculture is in our everyday life!

In addition to Mrs. Thacker's performance in the Macy's Parade, the Saluting America's Band Directors Marching Band also performed for a wreath-laying ceremony at Ground Zero. In preparation for this performance, the Michael D. Sewell Foundation opened up submissions for a Service Through Music project that participating band directors could do with their own ensembles. The purpose of the project was to honor Police, Fire, EMS, and other First Responders in our local community. Every year, the Big Red Band is invited to perform at the McKinley STEM Academy's 9/11 Ceremony. The Big Red Band follows this ceremony with performances at local nursing and rehabilitation homes. Mrs. Thacker curated the events from this annual day of service to our community and submitted it as the Big Red Band's Service Through Music project. Because of our commitment and service, The Big Red Band was recognized at the Saluting America's Band Directors banquet in New York as one of 36 bands honored for our Service Through Music project with this beautiful award!

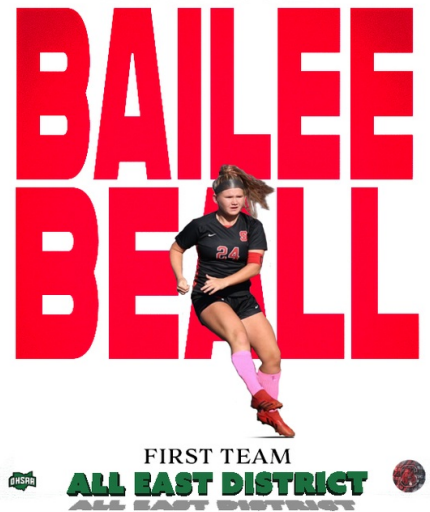

The SHS mock trial team visited the Dillonvale Court to watch and learn about arraignments and to practice our case and receive a critique on the performance.

Winter Weather Preparedness

Children can be especially susceptible to the dangers associated with winter weather. Their youthful enthusiasm often takes over when common sense and safety should prevail.

Parents should stay informed of winter weather and school closings by listening to daily reports on local radio, television stations, and district one call systems.

Winter Weather Safety Tips

Dress appropriately for cold weather: sweaters, pants, winter coats, hats, scarves, socks and boots.

Allow extra travel time to get to the bus stop or school.

Wear bright jackets or coats so bus drivers can easily see you in the morning or evening.

Stand at least ten (10) steps away (or back) from bus stops. Buses need extra room to stop where there is snow or ice.

Do not walk or play on snow mounds or ice within ten (10) feet of the roadway. You could fall and slip into the roadway and be at risk of being struck by a vehicle.

Do not cross the street at your bus stop until all traffic has come to a complete stop and the bus driver has signaled that it is safe to cross.

Please Note: If we do not cancel or delay during a winter weather event, parents must make the decision whether or not to send their child(ren) to school. Students missing school during winter weather events will not be counted absent and will be able to make up all missed assignments and or instruction.
