SCS IS ALWAYS MOVING FORWARD

Pride of the Valley

Greetings, Parents and Families of Steubenville High School,

I want to remind everyone of the following information:

I am incredibly proud of our students and staff for their amazing start to the 2024-2025 school year. I am grateful for everyone's contributions to this positive and productive start. Our staff worked very hard to prepare for the school's opening, and they have done an excellent job. Similarly, our students have

done an outstanding job of learning, meeting expectations, and developing routines to increase student achievement throughout the year. We are very excited about the possibilities that this year holds.

Dismissal:

As the school day ends at 2:30 p.m., we would like to ask parents that pick up their children to arrive on Logan Street around 2:35 p.m. This timing allows enough time for the children to go to their lockers after school. If you arrive before your child leaves the building, we would like to ask you to drive around the loop. We emphasize the importance of smooth traffic flow for the safety of our students and appreciate your cooperation in this matter.

I will continue to send out reminders in the monthly school newsletter throughout the year. Please remember that my staff and I are here to serve our families and students. I am always available and look forward to building a solid relationship with you and your child. Please know that the faculty and staff at Steubenville High School are always here to help your child(ren) have the best possible experience.

We are humbled and grateful for the opportunity to educate your child(ren). It is truly an honor that we take very seriously.

We are deeply grateful for your constant support in our mission to educate your child (ren). As always, we encourage you to stay updated with school events and activities. Thank you, and as always, **GO BIG RED!**

Please check the calendar of important dates for further information about events at Steubenville High School.

If you would like to contact me, my email address is tgorman@rollred.org. You can also call me at Steubenville High School, (740) 282-9741 ext. 1105.

Below the title, a message states: 'Missing a day of school here and there may not seem like much, but absences add up!'. The infographic is divided into two columns. The left column is for students missing 2 days a month, and the right column is for students missing 4 days a month. Each column lists the consequences of missing school in terms of days, hours of math, hours of reading & writing, and years of school missed by graduation. Decorative elements include a ruler, a pencil, and a pair of scissors.

Reach1 is an organization founded by Markus McFolling. Markus grew up in inner-city California regularly facing adversity. He excelled in football to escape his realities and began to play professional football until a career-ending injury took away everything he knew, and his identity destroyed. Facing

depression and a lack of purpose, Markus turned to his prescriptions and fell into a dark addiction. After one life-changing moment, Markus checked himself into faith-based rehabilitation and has never been the same. Reach1 stands for Reconciling Every Abandoned Child Home. Every single person has infinite value. It's all worth it if ONE person is changed forever. Reach1's mission is to inspire a generation of world-changers to live a life of purpose, power, and destiny. We are passionate about the next generation!
